Dec 28: New Deeply Discounted SDSL Package Offered to Telegroup Agents only. As a Telegroup agent you can experience this high speed Internet access product, Telegroup/Primus iPrimSDSL, at a deeply discounted rate. Two programs are now available:

- 144K at \$99*/month
- 192K at \$99*/month (* Net cost to you of \$90/month.)

Both programs offer a whopping 10% monthly commission, free installation, free CPE, and first month's service free!

Dec 21: Digital Subscriber Line (DSL) is coming to Telegroup. This exciting new Telegroup product line is an Internet service delivered through DSL (high speed Internet access). View the DSL Power Point Presentation for basic information about DSL. (In the application the tool bar at the top of the page under Slide Show open "Open show", and then scroll forward with the right arrow key.) More information about the Internet and the Telegroup DSL product line is coming soon.
